

09.14.23 Team Spirit Merchandise Available for a Limited Time Only: Order Online Now!

Dear D-E Upper School Student Athletes and Family,

D-E Athletics is excited to announce a new partnership with both Nike and BSN Sports, to be the exclusive providers of all D-E team uniforms and athletic apparel “spirit wear” moving forward.

We are especially excited to be able to incorporate our newly-branded D-E Athletic logos, including our new Bulldog, with these new items.

D-E teams will continue to wear Nike or will be transitioned to Nike uniforms in the coming years. “Spirit wear” items beyond uniforms (e.g., T-shirts, hoodies, sweatpants) will include both Nike and BSN options.

Teams and coaches will have access to new, seasonally-available D-E team-specific online shops (see below for links), to view and order all spirit wear options.

Our new official online team-specific shops will offer custom spirit wear at discounted prices, directly from BSN. Items ordered will then be shipped directly to you. We hope that our community will feel proud to be able to wear this newly-branded, official D-E gear.

Importantly, please note: To help unify our Athletic program identity, going forward, all athletes and their families,

coaches and fans must purchase all D-E team-specific spirit wear merchandise only through this new online resource and not independent of this online resource. Questions regarding this new policy can be directed to my attention.

Currently we are launching just our Fall Teams' online shops. Our Winter and Spring Teams' online shops will be available later this year.

If circumstances prevent anyone from purchasing "spirit wear" items through our new team-specific online shops, Athletics will coordinate with D-E Financial Aid. All inquiries regarding these requests remain strictly confidential. Please email me directly at: sandsj@d-e.org

Below are the links for our Fall 2023 Upper School team-specific "spirit wear" online shops.

Please note that the shops will be live until next Thursday, September 21st at 12:00 midnight. You must place your order prior to that day and time. You may see a varying time currently listed but we are working on it and all shops will be updated ASAP.

Go Bulldogs!

Sincerely,

JD Sand

Athletic Director
