Early Childhood Phase-in Schedule

We look forward to welcoming you and your students to our early childhood program. Listed below is the phase-in schedule covering the first two weeks of school. Students are scheduled to come in for varying parts of those weeks, so please note the times your child is scheduled to be in school. Pre-school groups will be sent in August. Participation in the phase-in program will help your child become comfortable with the teachers and environment, with their new friends, and with the classroom rules and activities.
