

## Summer Reading

UPDATED: JULY 13, 2021

Dear Fourth-Grade Families,

We look forward to connecting with your children in the upcoming school year. Each summer we ask students entering second through fifth grades to complete summer reading in preparation for the upcoming year. Please use the appropriate grade-level chart to select summer reading. Upon our return to school in September, the books will be used for discussions and launching reading workshop.

We hope you and your child enjoy picking out a summer reading book. Each year we update and revise this list, and we try to include books that are appealing and interesting to a range of readers.

All the best from your Dwight-Englewood Lower School teachers and friends!
