MORNING DROP-OFF

Parents are asked to bring their children to school on time. Your cooperation is appreciated. Parents dropping off children at the Lower School should enter the campus from the 81 Lincoln Street entrance. From 7:55-8:15 a.m. teachers will be available to assist younger children into the building. For families dropping off at Drapkin Hall and for safety precautions, we ask that you park and assist children out of their cars.

We are offering 7:30 morning supervision. Students can be dropped off at the Lower School bridge beginning at 7:30 to enter the Lower School gym, where they are supervised by Lower School faculty.

AFTERNOON DISMISSAL

To help ensure a safe and efficient dismissal, parents are asked to arrive at school on time for their child's scheduled dismissal time and to remain in their cars in the right-hand lane of the dismissal line, where their child will be helped into the car by a teacher. Students and their siblings who dismiss at different times must be put in one of the carpools. Also, please display your child's visor sign on the passenger side of your car.

Please refer to the Handbook for Students and Parents for additional important information regarding drop-off and dismissal procedures. Please keep this sheet for your information

SIBLING DISMISSAL

For siblings dismissed at two different times in the Lower School, please come at the later time. For Lower School students with siblings in the Middle or Upper Schools, please enter the car line at 3:20 p.m.

Please refer to the Handbook for Students and Parents for additional important information regarding drop-off and dismissal procedures.
